

CONFERENCE, MEETINGS & EVENTS SAFETY PROTOCOLS

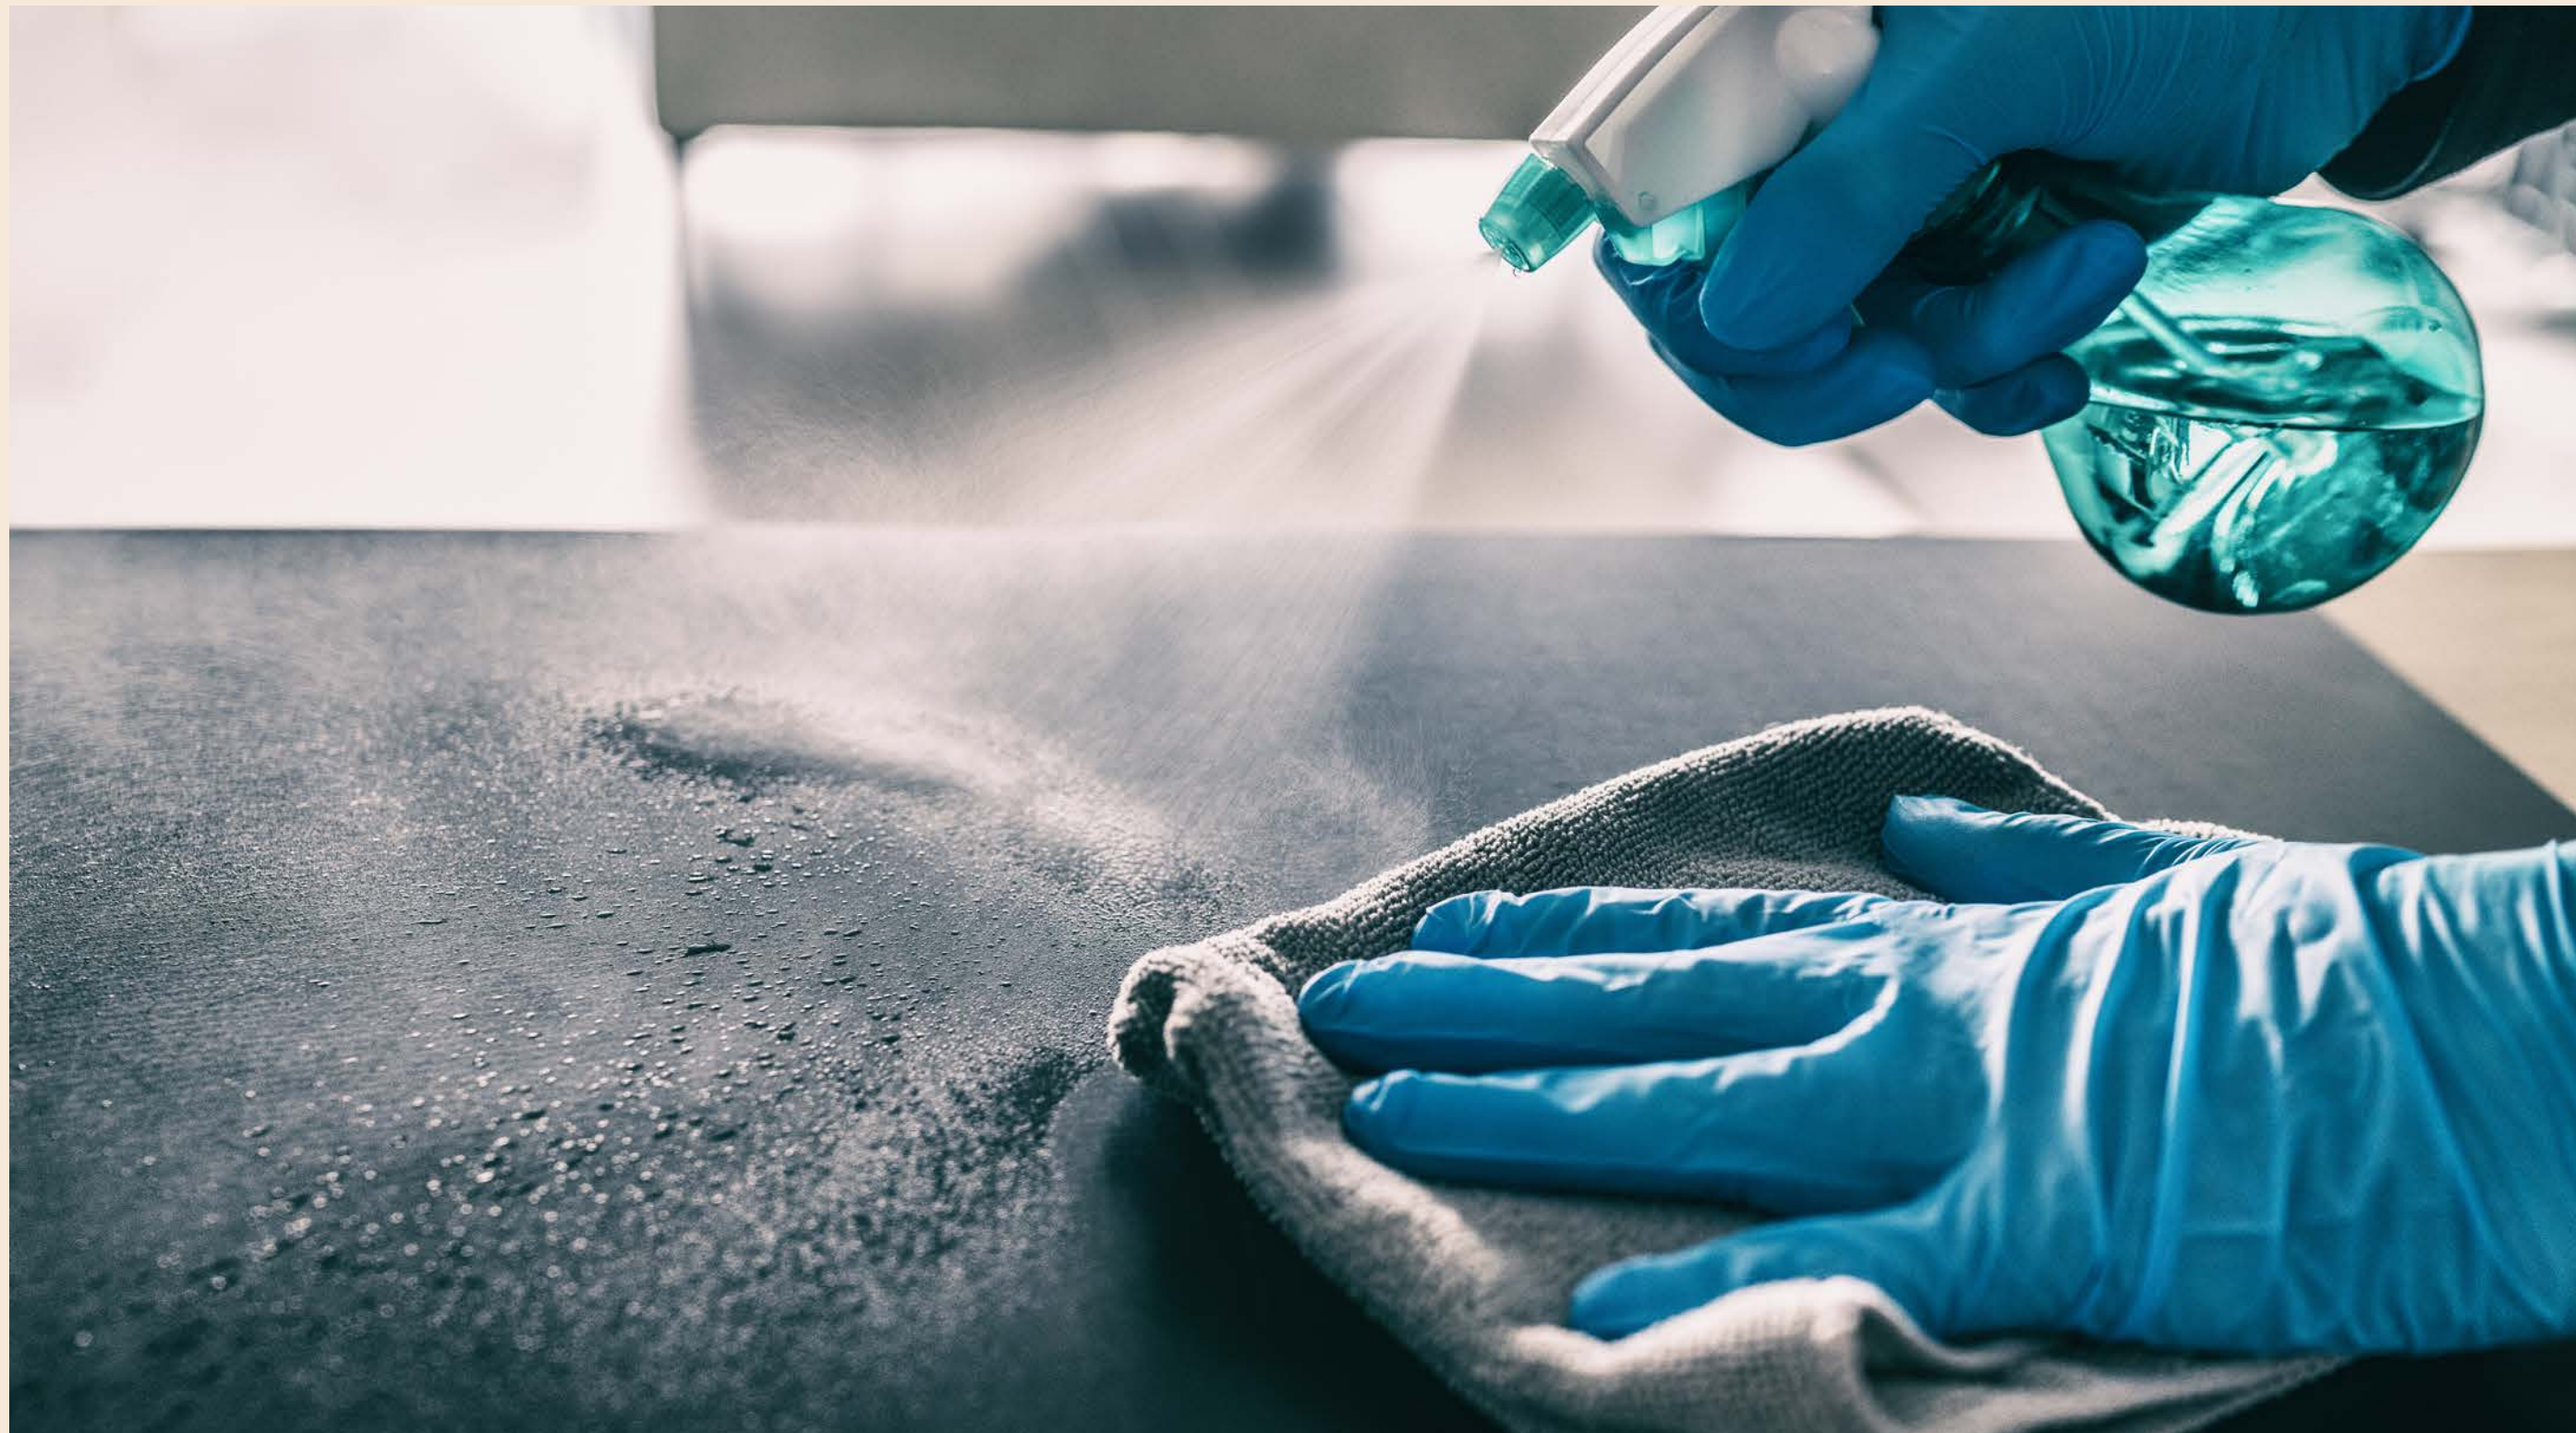

COATROOM

Ensure the safe handling of personal belongings in the coatroom

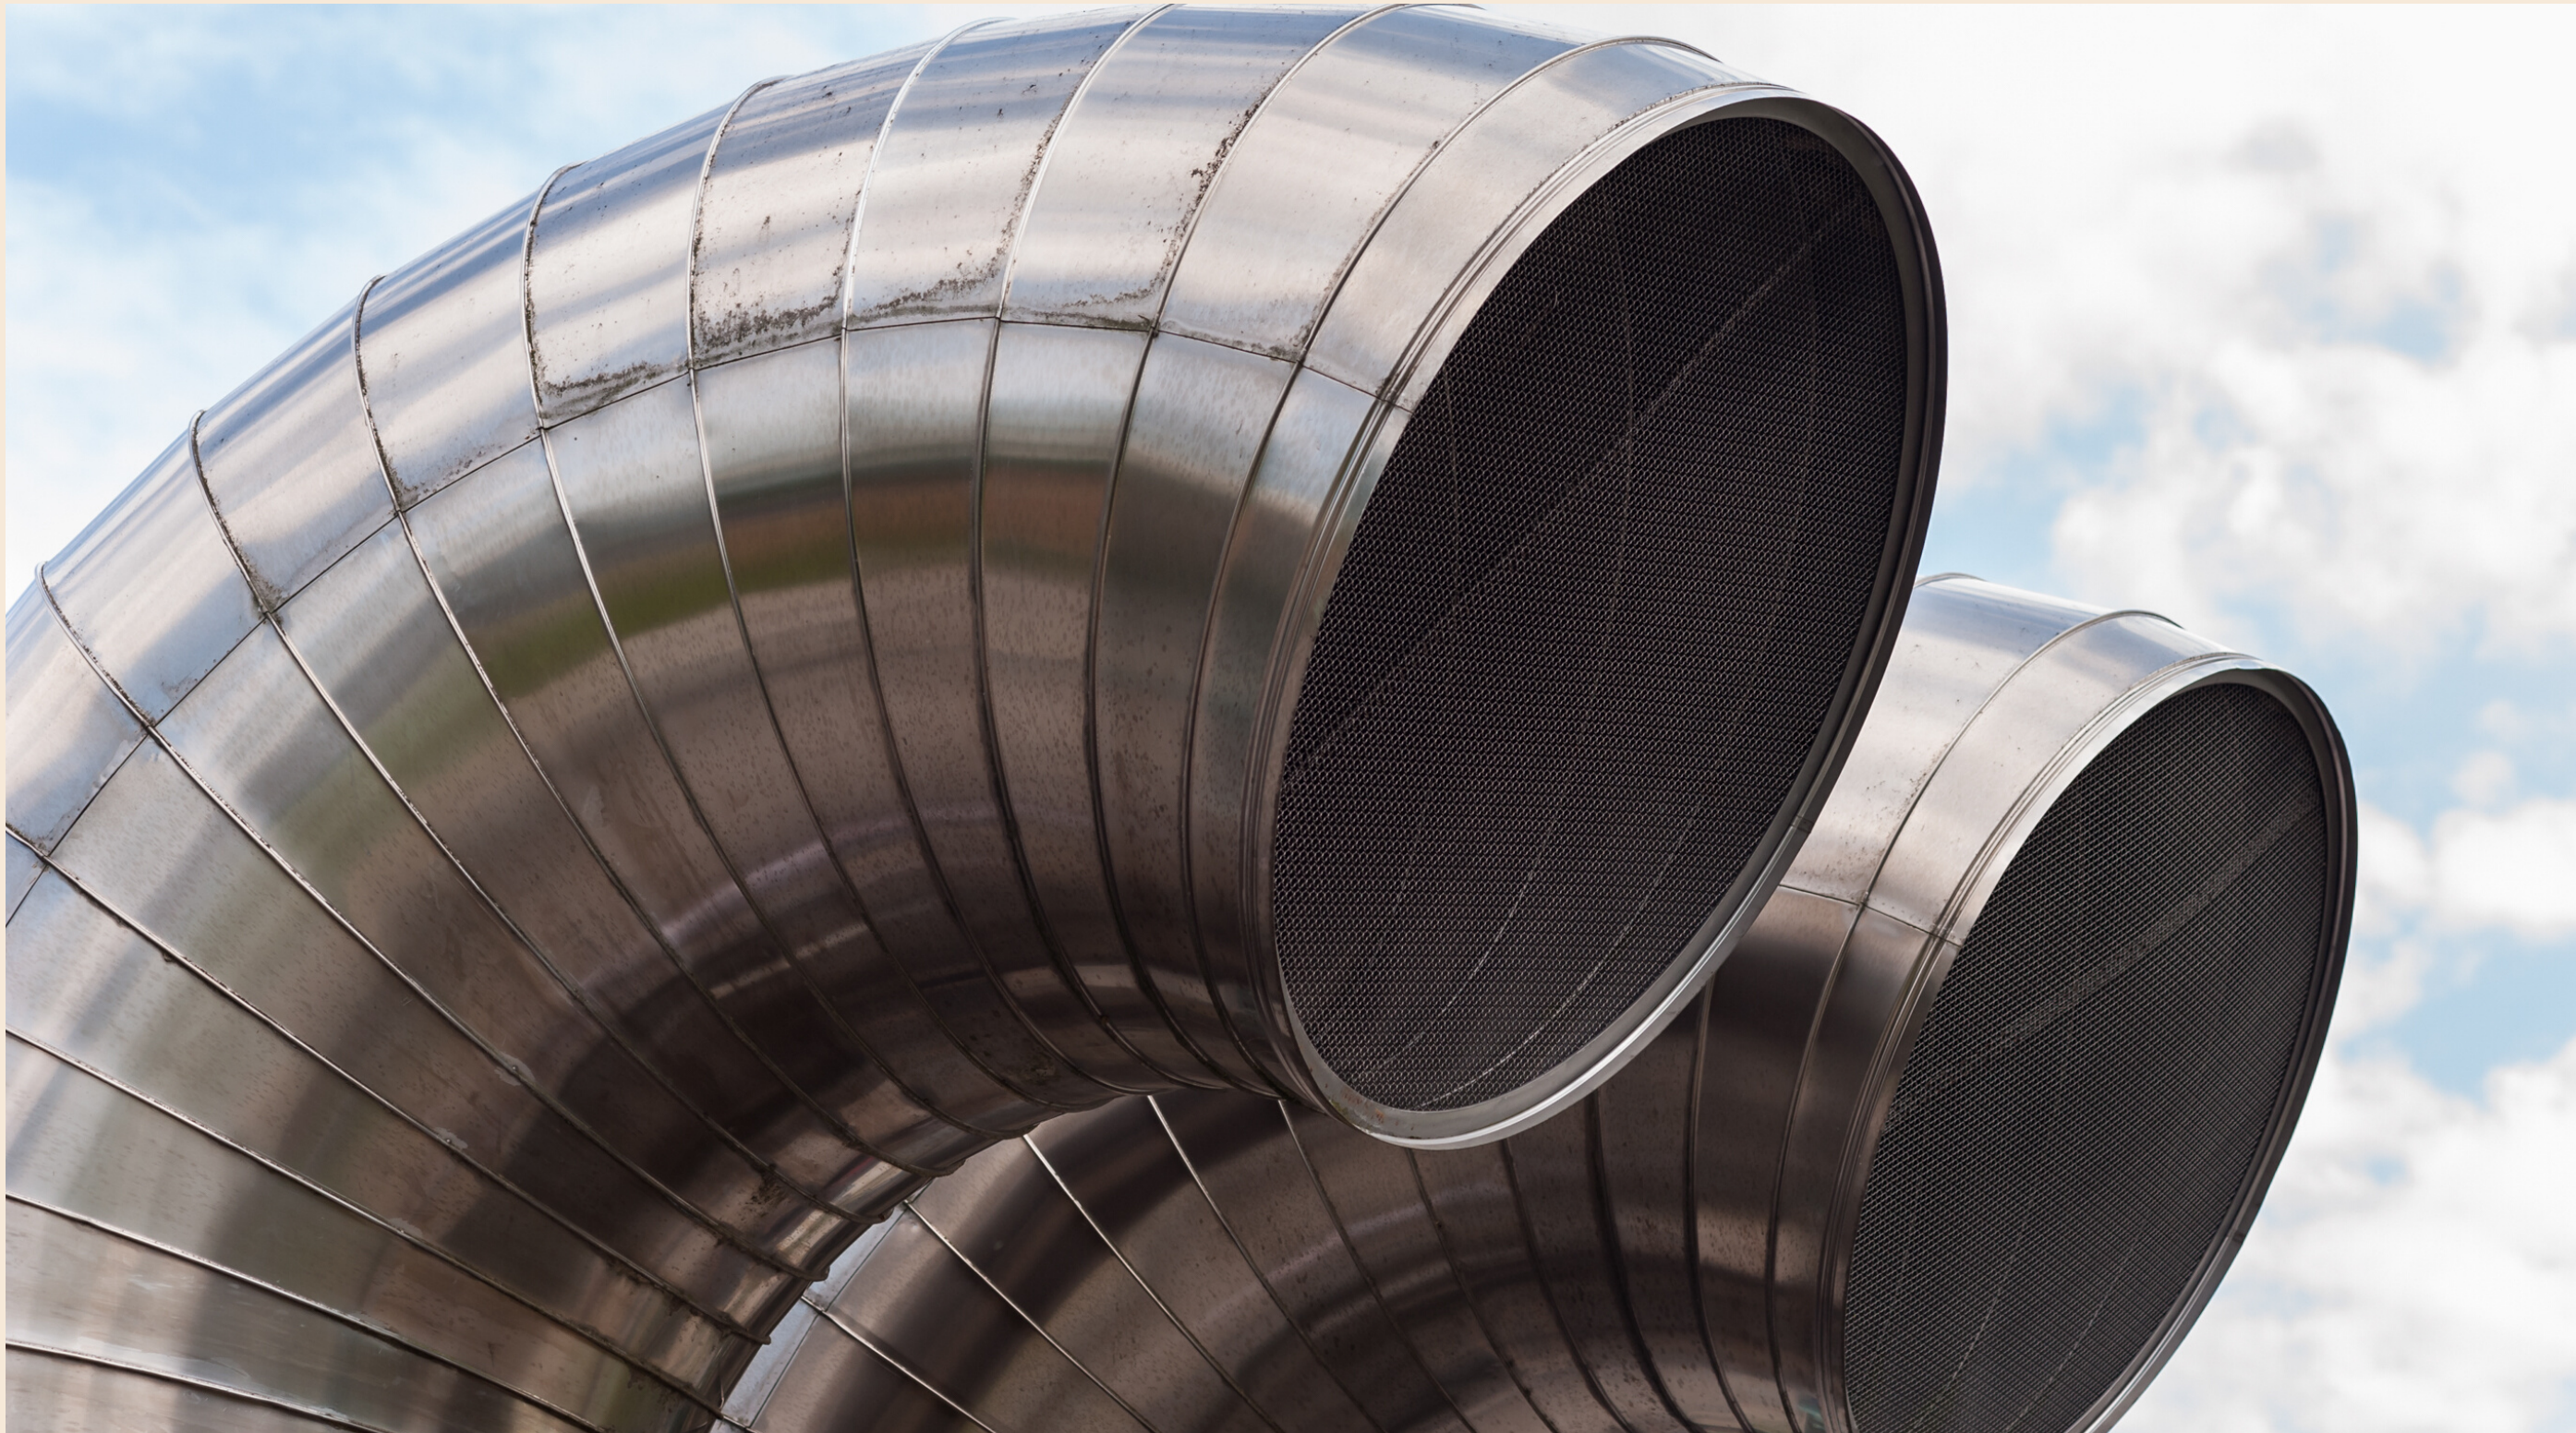

HAND SANITIZER

Install stations with alcohol-based hand sanitizer and gloves in hotel public areas and meeting and event spaces

CLEANING AND DISINFECTION

Increase cleaning and disinfection frequency of all hotel areas, paying special attention to high-touch items in high traffic areas

AIR CIRCULATION

Implement improved air circulation processes to increase air quality

DOOR HANGERS

Display door hanger with cleaning and disinfecting information in each meeting room

DISINFECT BOX

Place a “disinfect box” in meeting rooms for used stationary items and disinfect them after events

PHYSICAL DISTANCING

Ensure physical distancing in meeting and event facilities

TEXT COMMUNICATION

Ensure the hotel event manager is available for contact directly through customer's own device, to assist with client requests during the event

STRICT FOOD SAFETY

Serve all food and beverages respecting strict food safety procedures

REFRESHMENTS

Frequently clean and disinfect coffee machines
